On behalf of Team Kentucky, I want to welcome you and your family to the 120th World's Championship Horse Show.

The most prestigious Saddlebred show in the world, this is a time-honored event at the Kentucky State Fair. Spectators travel from near and far to watch over 2,000 horses from across the world compete for more than \$1.5 million in awards.

Horses hold a fundamental place in Kentucky's heart and heritage, and the World's Championship Horse Show is a special tradition for us. We are proud to host all of you for this grand event.

While you're here, be sure to check out the many sights and attractions of the Kentucky State Fair, from the livestock to the exhibits to the specialty dishes.

Thank you for joining us at the World's Championship Horse Show. Welcome to Kentucky, and enjoy our beautiful horse country!

Sincerely,

A handwritten signature in blue ink that reads "Andy Beshear". The signature is fluid and cursive.

TEAM
KENTUCKY[®]

“You can’t think about the Bluegrass state without thinking about the majestic horses that call the place home.”

As the Horse Capital of the World, Kentucky is, naturally, synonymous with horses. With its historic and world-renowned racing facilities and landscapes dotted with beautiful horse farms, you can’t think about the Bluegrass state without thinking about the majestic horses that call the place home.

The ultimate show horse, the American Saddlebred, is the perfect combination of beauty and athleticism. With high-stepping elegance and the grace of its riders, the horse puts on a display like no other.

The World’s Championship Horse Show, now celebrating its 120th year, is the world’s richest and most prestigious horse show where more than 2,000 horses compete each year for prizes worth more than \$1.5 million. It’s the place where this breed and Kentucky’s equine history come together for a top-notch experience for everyone involved to enjoy.

For more than a century, Kentucky has been home to this show and Louisville has hosted it since 1906, when the Kentucky State Fair found its permanent site in Louisville. Louisville has a deep history with the breed due to the city being central to the prominent Saddlebred breeding programs in Kentucky, Missouri, and Tennessee and where the registry was located. That history deepens each year

when the eight-day show coincides with the Kentucky State Fair in August, helping to contribute to the fair’s annual economic impact.

The World Championship Horse Show’s deep roots in Kentucky help solidify the equine industry’s importance for the state. Kentucky is home to more than 238,000 horses – that’s one horse for every 18 people in the state. The equine industry’s impact on the state’s economy amounts to more than \$6.5 billion each year, while also providing more than 60,000 jobs. It’s hard to separate the two – the state and the equine industry – and we don’t want to. Our hope is this show continues to grow along with Kentucky’s equine industry.

While in attendance for this world-class show, enjoy Kentucky’s southern charm and hospitality. It’s also in a class of its own. ■

Sincerely,

Print or use a computer if possible and supply all the information requested. Entries will not be accepted unless accompanied by the required entry fees.
2. Entries close on dates specified in each department. No entries will be accepted after that date.
3. Exhibitors' gate admission tickets may be purchased by Horse Show exhibitors at the Horse Show Office, and for all other exhibitors at the Entry Department. Exhibitors will be limited to the purchase of two (2) exhibitor gate admission ticket packets except when the care of livestock or horses is required.
4. No employee of the Kentucky State Fair nor any member of their immediate household may own or exhibit any articles or animals in any competition in which said employee is directly affiliated.
5. Every animal or article in competition will be under the supervision of the Superintendent of the department in which it is entered, but the Kentucky State Fair Board and Management will not be responsible for any loss or damage that may occur.
6. Exhibits that have been mistakenly entered in a class may be transferred to the proper class before the judging at the discretion of the Superintendent. If such classes already have been judged, they will not be reopened.
7. The Superintendent of each department must check entries listed under each class in the entry book against each exhibit presented. At the time of judging, he or she must mark the entry book to show which animals or articles were passed on by the judge.
8. Judging books must be signed in ink. Entries that were not shown must be so designated. Superintendents are responsible for these requirements.

Placing of Entries

1. The Kentucky Exposition Center will be open to receive livestock and articles for exhibition at dates and times specified in departmental rules. No livestock or article may be brought onto the Kentucky Exposition Center and placed on exhibit except by and at the expense of the owner or his/her authorized agent.
2. Articles from outside Louisville and vicinity may be mailed to the name of the department entered, c/o Entry Department, Kentucky State Fair, 937 Phillips Lane, Louisville, KY 40209. Packages will not be accepted by the State Fair unless all charges have been paid.
3. All animals or articles for exhibition must be placed in the department before the time listed in departmental rules. If not placed before the specified time, the owner will forfeit all right to exhibit or compete for premiums subject to appeal to the Kentucky State Fair Board.

Releases

1. Exhibitors shall obtain signed releases from the Superintendent of their department.
2. See departmental rules for times of release. No animals or articles will be released before the published release date and time.

National Code of Show Ring Ethics

Exhibitors of animals at livestock shows shall always deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the Kentucky State Fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event that culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence that such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedure of said collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate, and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) that could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals, which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices, such as striking animals to cause swelling, using electrical contrivance, or other similar practice is not acceptable and is prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect, and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such an individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether he or she was instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

2. Judges will report to the Superintendents in charge at their respective departments according to times and dates specified in the contract.
3. An exhibitor cannot (a) act as judge in a class in which said exhibitor is showing or (b) exhibit an entry in any class where the judge is a principal agent, employee, or relative of the exhibitor.
4. Where there is only one entry in a class, the first prize will be awarded if merited. If an exhibit is not worthy of first prize, judges may, at their discretion, award the prize that the animal or article deserves.
5. Should any doubt arise as to the regularity of any entry, or any other important matter, which the judge feels incompetent to decide, he/she should notify the Superintendent, Board Member in Charge of Department, or Management, whose decision will be final.
6. The decision of an awarding judge will be final, and no appeal will be considered except in case of protest.
7. Objections to any person serving as a judge must be submitted to the Kentucky State Fair Board in writing, prior to making an award, giving good and sufficient reason therefor, and upon which the Board shall have full power to act.
8. Any exhibitor attempting to interfere with the judges during their adjudications will be promptly excluded from competition.

- A record in your account for each person and horse that you will use on show entry forms when you enter a show.

How to get started:

- Log in to HorseShowsOnline by clicking the “Member Services” tab in the main menu or click the Login button at the top of the home page.
- Once you are logged in, click the “My Horses, People, Shows” button in the member menu.
- At the People, Horses, shows page, add any new people and horses to your account as required on the appropriate tab (i.e., My People, My Horses). People and horses are saved with your account. Once you have those records in your account, you may use them at every show you enter.
- Click the “Enter show” button to select the show you want to enter and follow the steps in the online entry wizard.

Steps to enter a show:

- Select the show you want to enter from your “My People, Horses, Shows” page on the “My Show Entries” tab, or find the show you want to enter in “Show Selector” and click the Online Entry icon. This will start the online entry wizard. Make sure you have already created the horses and people in your member account.
- The online entry wizard will guide you through the steps to complete the entry form. The basic steps in the wizard are:
 1. Select the horse, people, and riders for your entry.

# of Championship Qualifying Classes	Class Split Scenarios	Championship Qualifiers
1	Class is split Class is not split	1-8 from each All return
2	Class A is split Class B no split	1-4 from each 1-8

The above applies to Championship classes that are for ribbon winners only. If no Open qualifying classes are split, those qualifying may show back in the championship, but management may limit the number to ribbon winners only.		

If a situation arises that is not covered in the above policies, then management will determine the eligible ribbon winners, and they will be posted in the horse show office.

When classes are divided, horses must stay in the class shown in the program or as posted.

Exhibitors are not allowed to choose their class. This is entirely the decision of management.

Trainers are responsible for checking class splits.

Split or non-split futurity classes will be held as the first scheduled class listed with finals, if needed, being held as scheduled.

The Breeders Challenge Stake, if not over 20 entries, will be held Friday nights; if over 20 entries, the qualifying classes will be Tuesday afternoon with the finals Friday night.

If the classes are split and then scratch down, the manager has the option to combine the splits and run one class up to approximately one hour prior to the start of the class.

A class with divisions will be run as one class if there are fewer than 20 entries.

Miscellaneous

Any class at the 2023 Kentucky State Fair World's Championship Horse Show that has fewer than five (5) horses shown will be put on probation in 2024. If fewer than five (5) horses are shown in 2024, the class will either not be held or combined with a class that has the same specifications in 2024 or 2025.

The Kentucky State Fair reserves the right to decline or accept any entry or entries, and to return or decline refunds of any fees.

False representation of eligibility or information will cause disqualification and may result in you, or your horse not being allowed to show in the 2023 Kentucky State Fair World's Championship Horse Show.

The Kentucky State Fair may also prohibit any person from attending or showing a horse in the ring and remove any owner, stable employee, or horse from the ring or grounds without liability of any kind.

Lights in the North Wing will be turned down each night starting Thursday, August 17 at 1:00 a.m.

Commercial Exhibitors/Solicitors will not be allowed on the grounds unless a commercial exhibit

An entry must be ready 20 minutes before the class in which it is entered is called. Progress of the preceding class will be given to the speakers in the stable area. Failure to hear the announcement shall not relieve the exhibitor of the obligation to have entries ready and to comply with the rule. Barn calls are a courtesy of the show. Due to the schedule and time, request for a hold between classes cannot be given. Every effort will be made to maintain a working public address system to carry class calls.

Any exhibitor, rider, or driver who refuses to obey the request of the judge, ringmaster, or manager automatically becomes debarred from further competition and forfeits all previous winnings, together with entry fee and other charges. At the discretion of the manager, the offending individual and his/her entire exhibit may be removed from the grounds.

All in-hand classes: if you miss your assigned position to show your colt, you will automatically be disqualified.

All electrical cords must be the 3-wire grounded type. All exposed noncurrent-carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.

Individuals stabled in Barn A-O facing the west and those stabled in the North Wing facing the north aisle are asked to not dismantle their stall decorations until the conclusion of the show on Saturday night. Failure to do this may result in you being stabled in another location for next year.

Individuals wishing to leave must load before and after the show in the morning/afternoon session and the night session. You will not be allowed to load your equipment and horses during the show, as this is to prevent any inconvenience to the people still showing.

Parents: If not accompanying your child, please send permission for medical treatment (responsibility for care) with the trainer or responsible adult.

A steward will be in the center ring during this time to enforce this policy.

On Saturday afternoon, Freedom Hall will be closed to everyone.

No beverages are allowed around the rail at any time during the show. The red-taped area on the straightaway is for trainers and grooms with horses in that class.

All such items will be confiscated, and offenders will be reported to the USEF. (See also GR839.4i.) This will be strictly enforced.

In consideration of your fellow exhibitors and for presenting the proper image of the American Saddlebred, attention-getting devices should be used with caution in the warm-up and schooling areas. We encourage you not to use lash whips on victory passes.

Kentucky State Fair World's Championship Horse Show 2023 – Qualifying Requirements for Pleasure (Show & Country) and Park

Effective January 1, 2023, the two (2) highest points a horse earns at each show will be the only points used for qualifying and added to the horses' total points. Those two (2) classes will be the ones counted as contributing to the six (6) classes needed for qualifying.

Any competition that has not previously been listed on the ASHBA's database must record with the ASHBA at least one (1) month prior to the competition dates in order to be a qualifying competition for the World's Championship Horse Show. The prize list and/or schedule must be submitted one (1) month prior to the first date of the show, either electronically or physically to the ASHBA.

1. All horses must qualify to compete in the American Saddlebred Show Pleasure, American Saddlebred Country Pleasure, and American Saddlebred Park Divisions of the 2023 Kentucky State Fair World's Championship Horse Show.

Horses will be entered in these Divisions only if they have been shown in a minimum of six (6) classes, in three (3) or more different competitions, (not including the 2022 World's Championship Horse Show) in the same Divisions in which they wish to compete at the 2023 World's Championship Horse Show, either under saddle or in harness, beginning July 1, 2022, through June 30, 2023. At the 2023 World's Championship Horse Show, the same horse may not enter and/or compete in the Junior Exhibitor and the Adult class, nor may it enter and/or compete in "under saddle, driving, western, and hunter" or in more than one age division.

Horses that are to be shown in Pleasure Driving will be required to qualify by showing in six (6) classes at three (3) shows in Pleasure Driving. If the Driving class at a show does not specify whether it is Show or Country Pleasure, the class will still count, but four (4) of the six (6) classes for qualification must be in either Show or Country Pleasure. Park Pleasure driving, and Open Pleasure driving classes will not be considered as qualifying classes.

Classes and points earned in a division, such as three-gaited show pleasure cannot be applied to another division, such as five-gaited show pleasure, nor can classes and points in Western Country Pleasure, Saddle seat Three-Gaited Country Pleasure, or Hunter Country Pleasure be applied to any other country pleasure division. This does not affect or change the rule that a horse can show in juvenile, adult, novice, or local, or limit classes in a division for the points and classes to count toward qualification.

Also for purposes of qualification, a horse in the Show Pleasure or Country Pleasure Divisions cannot be shown by its trainer on behalf of the owner of the horse, nor may a horse be shown by any adult family member of the trainer of the horse (provided, however, that this does not preclude a family member of a trainer from showing a horse if the horse is owned by the trainer or by such family member).

For purposes of potential Show Pleasure, Country Pleasure, and Park qualifying for the 2023 Kentucky State Fair, points will not be accumulated at the Kentucky State Fair by horses competing in the 2022 Kentucky State Fair; performances at the 2022 Kentucky State Fair will be excluded from potential qualifying point totals for the 2023 competition.

Effective for the 2023 World’s Championship Horse Show, any class added to a show’s schedule after the prize list, class sheet, or class schedule has been printed and/or posted on the show’s website, Facebook page, etc. will not count as a qualifying class for Kentucky State Fair’s World’s Championship Horse Show. Classes denoted as “buy a class” or “TBA” are considered added classes and therefore will not be counted. Classes that are added during the week a horse show is scheduled to be held do not count as qualifying.

2. Qualifying information for the American Saddlebred Show Pleasure, Country Pleasure, and Park Division is on page 27-29 of the 2023 Horse Show Premium Book.
3. Each qualifying class in the American Saddlebred Show Pleasure Horse Division, the American Saddlebred Country Pleasure Horse Division, and the American Saddlebred Three-Gaited Park Division has a maximum number of qualified entrants that will be permitted to compete in each class.

For the 2023 competition, the maximum number of qualified entrants for each qualifying class is as follows:

Description	Maximum #
Adult Three-Gaited Show Pleasure	60
Junior Exhibitor Three-Gaited Show Pleasure, Rider 14–17 Years Old	36

Adult Three-Gaited Country Pleasure	40
Country Pleasure Driving	28
Western Country Pleasure	20
Hunter Country Pleasure	20
Open Park	40
Junior Exhibitor Park	18
Amateur Park	40

4. In the event the total number of entrants received for any qualifying class does not exceed the maximum numbers listed in #3 above, all entrants will be permitted to compete at the 2023 World's Championship Horse Show.
5. As in prior years, Championship classes at the 2023 Horse Show will be limited to competitors who have received a ribbon in a qualifying class at the 2023 Horse Show. In the case of a split of a qualifying class, the policy for divided classes explained on page 23 of the prize list will be applied.
6. In the event the total number of qualified entrants received for any qualifying class exceeds the maximum numbers listed in #3 above by five (5) horses or less, the Kentucky State Fair reserves the right to permit all qualified entrants to compete in a qualifying class, but if the number entered exceeds the maximum number by more than five (5), the number of entries will be reduced to the original maximum number (e.g., if there are 66 entries in Adult Show Pleasure, only 60 will be allowed to show). The horses that will be eligible to compete in such qualifying class will be chosen based on a point system tabulated and verified by the American Saddlebred Horse and Breeders Association ("ASHBA"), as follows:
 - Show Pleasure, Country Pleasure, and Park horses must have "qualified" as described in #1 above six (6) classes, at three (3) shows, in the same Division.
 - Effective 2015, qualifying (i.e., six (6) classes at three (3) shows) is no longer required for Junior Park and Junior Park Pleasure horses.
 - All American Saddlebred horses competing in any competition listed on the ASHBA's database, regardless of whether such competition is a USEF licensed competition, will be eligible for consideration. In order for non-licensed competition to be listed on the ASHBA's database, a representative of that competition must notify the ASHBA as to the dates, location, and contact person of the competition at least one month before the competition is to be held. The secretary or the manager of said competition is responsible for sending in the results to the ASHBA within ten (10) days after the competition and by the closing date of the qualifying period. Results will not be accepted (regardless of the postmark or meter date) by the ASHBA that are received in the office after the closing date of the qualifying period.
 - Effective 2016 – Any competition that has not previously been listed on the ASHBA's database must register with the ASHBA at least 30 days (one month) prior to the competition dates in order to be a qualifying competition of the World's Championship Horse Show.
 - All ribbon winners in classes of six (6) or more entries will receive the following points - 8, 7, 6, 5, 4, 3, 2, 1 (8 for 1st, 7 for 2nd, and so on) based on number of ribbons awarded; a class with five (5) entries from first place through fifth place, as follows: 5, 4, 3, 2, 1; a class with four (4) entries, from first place through fourth place as follows: 4, 3, 2, 1; a class with three (3) entries, from first place through third place as follows: 3, 2, 1; and a class with two (2) entries, the first place through second place as follows: 2, 1. A class with one (1) entry will receive one (1) point. Points will count in the following Divisions: Show Pleasure Three-Gaited, Five-Gaited, and Driving Country Pleasure Three-Gaited, Western, Five-Gaited and Driving; and Park – Three- Gaited. Points will not be allocated in the following classes for qualification at the 2023 Kentucky State Fair: Open Pleasure, Walk/Trot Pleasure, English Pleasure, Saddle Seat Pleasure Open to All Breeds and Opportunity, "Buy A Class" TBA, or classes built into schedule that may be purchased will not count, or any class other than Park that the horse can be shown by a professional.
 - Points will not be allocated in Show Pleasure, Country Pleasure, and Park Division (as noted in #1) at the 2023 Kentucky State Fair.
 - To break any tie necessary to determine the eligibility list, preference will be given to the entry with the larger number of points from USEF competitions. If no points come from USEF shows, then the entry with the larger number of points earned from classes with six (6) or more entries will be given preference.
 - Only points accumulated during the qualifying period in the Division in which the horse is entered at the 2023 Kentucky State Fair will count toward qualifying for the Kentucky State

Fair. Points accumulated during the qualifying period remain with a horse, regardless of any change(s) of ownership.

- ASHBA will tabulate the points accumulated by each horse, and points will be posted on the ASHBA website at www.asha.net. The results for competitions that are listed on the ASHBA website will be used to determine points for eligibility, and must be in the ASHBA office for tabulation by the end of the qualifying period (regardless of postmark and metered date). The Kentucky State Fair reserves the right to resolve any dispute as to the accuracy of the point total used to determine which horses are deemed eligible to compete.
 - The first and second place winners only (i.e., Champion and Reserve Champion) in a championship class for Show Pleasure – Three-Gaited, Five-Gaited, and Driving; Country Pleasure – Three-Gaited, Western, and Driving; Park – Three-Gaited at the 2022 World’s Championship Horse Show shall be eligible to compete in the same Division in 2022 for which the championship class was held, provided that such horses also showed in a minimum of six (6) classes, in three (3) or more different competitions (not including the 2022 World’s Championship Horse Show), in the same Division in which they wish to compete at the 2022 World’s Championship Horse Show, either under saddle or in harness during the period beginning July 1, 2022, and ending June 30, 2023.
7. Inasmuch as qualifying for the 2022 Kentucky State Fair may result from participation in competitions not sanctioned by the USEF and thereby not subject to the USEF Drugs and Medications program, in addition to the random drug testing that entrants at the 2023 Kentucky State Fair are subject to, all qualifying and Championship classes at the 2023 Kentucky State Fair World’s Championship Horse Show in the Show Pleasure, Country Pleasure, and Park Divisions will be subject to mandatory drug testing in conjunction with the USEF Drugs and Medications program.
 8. The Kentucky State Fair World’s Championship Horse Show is a member of the USEF and is therefore subject to all USEF rules and regulations.
 9. The Kentucky State Fair World’s Championship Horse Show reserves the right to decide to exclude a class from inclusion that does not qualify as an American Saddlebred competition, such as any of the following.:

“Open English Pleasure”; “Open Western Pleasure”; “Open Hunter”; “Pleasure Prospect”; “Open to All Breeds”, Opportunity classes, “Buy A Class”; TBA or classes built into a schedule that may be purchased; Park Pleasure, will not count or any class other than Park Division classes in which a professional trainer is permitted to show a horse.
 10. The Kentucky State Fair World’s Championship Horse Show reserves to itself, without limitation, the sole and unconditional right to interpret any questions or dispute regarding the interpretation of the above, including any ancillary questions, without further recourse, and its decision shall be final.

2023 Trophy Policy

Perpetual and challenge trophies will remain with the horse show, as they will no longer be checked out to the exhibitor for a year.

Stall/Entry Limitations

Stabling capacity at the Kentucky State Fair World’s Championship Horse Show has reached its limit over the past several years; no additional temporary stabling can be built beyond the capacity of previous years. Therefore, while it is extremely unlikely, it is conceivable that an insufficiency in stabling capacity and/or consequent available time in the schedule may result in Management determining that a division or section of the Kentucky State Fair World’s Championship Horse Show is deemed to be overfilled. If Management deems that any division or section is overfilled, the Kentucky State Fair World’s Championship Horse Show reserves to itself the right to determine the number of entries in that division or section, per USEF SB111.1, based on winnings in the qualifying period of July 1, 2022, to

June 30, 2023. Qualifying standards will be based on the USEF National Horse of the Year points as a means of qualification, based on results of USEF competitions in the qualifying period above, as verified by the American Saddlebred Horse and Breeders Association. In the event of the need to invoke qualifying standards, horses that have competed and won ribbons in USEF Recognized Competitions are ranked ahead of horses that have not; horses need not necessarily be enrolled or recorded in the USEF Horse of the Year program to receive points. Points are calculated based strictly on results at USEF Recognized Competitions; enrolled/recorded horses receive no preferences.

If qualifying standards are invoked by the management of the Kentucky State Fair World’s Championship Horse Show, and the number of horses competing in and receiving points from USEF Recognized Competitions is insufficient to fill all space and stabling is available, all other horses entered (those horses having no points) will be placed in a separate pool; if necessary, a lottery drawing will then be conducted from this pool to determine the entries to be accepted. The number of horses to be selected by means of this drawing will be determined at the time of any decision to refuse entries. Whether a division or section is overfilled and (to) the extent to which it is overfilled shall be determined at the sole discretion of the Kentucky State Fair World’s Championship Horse Show.

In the event of a tie in point totals affecting the standard required for entry acceptance, a drawing will be held among all those with identical points to determine which entries will be accepted and/or refused.

Certification Instructions: You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return.
